(d) No incident of disappearance of the subject ammunition, from any Ordnance Factory has been reported. A well established security mechanism exists in all Ordinance Factories to check pilferage.

Check on cyber crimes

*211. SHRIMATI VIPLOVE THAKUR: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether Government have taken any steps to check cyber crimes in India, particularly in view of the increased spread of information technology; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MANIKRAO GAVIT): (a) and (b) The Central Bureau of Investigation (CBI) and various State police organizations have set up Cyber Crime Cells and computer forensic facilities. In addition, all the laboratories of the Directorate of Forensic Science and Government Examiners of Questioned Documents have computer forensic facilities. Regular training programmes, workshops, seminars and symposia for trainers to handle digital crimes are also organised.

The Government has set up Indian Computer Emergency Response Team (CERT-ln) under the Department of Information Technology, which performs both proactive and reactive roles in computer security incident prevention, identification of solution to security problems, analyzing product vulnerabilities, malicious codes, web defacements, open proxy servers and in carrying out relevant research and development.

Defence system to counter enemy attack

†*212. SHRI SHAHID SIDDIQUI: Will the Minister of DEFENCE be pleased to state:

(a) whether we have a strong defence system to counter an enemy country attack, despite our being a nuclear State;

(b) whether common people of the country have been given any training to combat it; and

---

†Original notice of the question was received in Hindi.

(c) the strategic areas and establishments in India which face higher threat perception of nuclear attack?

THE MINISTER OF DEFENCE (SHRI A.K. ANTONY): (a) Appropriate measure have been instituted to ensure that a strong defensive system exists in the country.

(b) With regard to awareness for public guidelines to manage the consequences of Weapons of Mass Destruction (WMD) attack, instructions have been issued to all States by the Union Government in December 2001.

(c) Threat to strategic areas and establishment are constantly reviewed and updated depending upon the threat perception.

Employment security

†*213. SHRI PYARELAL KHANDELWAL: Will the Minister of LABOUR AND EMPLOYMENT be pleased to state:

(a) whether it is a fact that the job security of the employees is under threat due to flexible attitude being adopted by the Government, with regard to labour matters;

(b) whether it is a fact that an anarchical situation can develop as a result of tussle between labour and capitalism due to non implementation of labour laws in Special Economic Zones (SEZs);

(c) if so, the details thereof; and

(d) whether Government would consider to fulfil the basic needs of the workers to be employed in such Special Economic Zones?

THE MINISTER OF STATE OF THE MINISTRY OF LABOUR AND EMPLOYMENT (SHRI OSCAR FERNANDES): (a) Review/updation of labour laws, which, *inter-alia,* govern working conditions, is a continuous process in order to bring them in tune with the emerging needs of the economy. It is undertaken in consultation with all stakeholders.

(b) to (d) Workers employed in the Special Economic Zones (SEZs) are entitled to various benefits like minimum wages, social security etc. like other workers as the Labour Acts are applicable to the SEZs. The
